Dear Friends,

The Department of Surgery, Institute of Medical Sciences, Banaras Hindu University, Varanasi is organizing 11th IHPBA certificate course in hepatopancreato biliary surgery from 21st to 25th Sept, 2016. The aim of this course is to give intensive knowledge on hepatobiliary and pancreatic diseases as well as evaluation techniques and management to young surgeons and residents. Surgery for liver, pancreas and bile duct diseases is a well recognized subspecialty of Surgical Gastroenterology requiring specialized training.

In this fast changing world it is imperative to update yourself with recent imaging techniques, various gadgets used in surgical practice, changes in the technique of dissection and management over time. The faculties for this certificate course are eminent hepatobiliary and pancreatic surgeons from different part of this country. It is a five day course having didactic lecture, video presentation, panel discussion and interactive session. This course will not only update young surgeons and residents but will also improve their decision making capabilities.

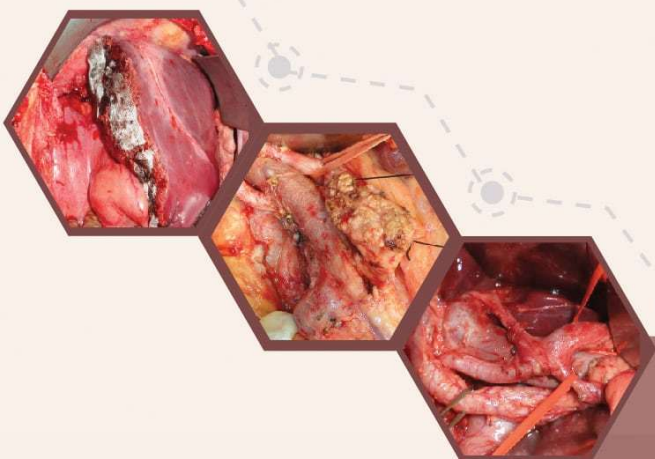

We invite all young surgeons and residents to attend this 5 day course of hepatopancreatic biliary surgery. It will be a good academic feast and certificate will be distributed to all participants at the end of course.

Dr. V. K. Shukla
Organizing Chairman

Dr. Puneet
Organizing Secretary
