Invitation

Department of General Surgery, PGIMER, Chandigarh is organizing single theme Mid-Term CME of IHPBA (Indian Chapter) on Pancreatic Diseases on November 25th-26th, 2017. The meeting will focus on recent advances, panel discussion and management strategies in the field of pancreatic diseases.

Various eminent national and international faculties have agreed to participate in this meeting and share their work and ideas on Acute Pancreatitis, Chronic Pancreatitis, Pancreatic Cancer and Surgical procedures for Pancreatic diseases and management of complications of surgery. We take this opportunity to invite you to actively participate in the proceedings and make the most of the event.

We expect a pleasant weather with temperature around maximum of 22°C and minimum temperature 10°C. Last week of November is actually a great time to visit the City Beautiful. On our part, we assure you of great academic feast.

Prof. Gurpreet Singh
Organizing Chairman

Prof. Rajesh Gupta
Organizing Secretary
